Notes to Chapter Secretaries: This is the time of year for election of chapter officers. Please update your Officer's Roster on the National website <http://www.narfe.org> as soon as you can and please send the Website Editor an email that you have updated your officer's roster so the Federation website can be updated. Normally the Federation Secretary receives a notice form National when roster updates occur and passes them to the Website Editor but at this time we are without a Federation Secretary to receive these notices. You may also update your officer's roster on the Federation website from your "Chapter Activities" link on the front page of our website. If you have any questions, please contact our Website Editor for assistance.
