

*On behalf of the
North Carolina
Federation of
Chapters,
welcome to
NARFE.*

Congratulations for making the right decision to become a member of NARFE which is the only nationally recognized organization that exists for the sole purpose of looking after the interests of those individuals, like yourself (current federal retirees, future retirees, and spouses) who share a common bond. It makes no difference whether you have retired or are about to retire under the Civil Service Retirement System (CSRS) or the Federal Employee Retirement System (FERS). The following are questions and answers which you may have concerning your new membership.

Why I belong to NARFE...

"I joined NARFE for one main reason. It is the only organization that works to protect and enhance the retirement benefits that I earned as a federal employee."
